

**GOVERNMENT OF ODISHA  
DEPARTMENT OF HANDLOOMS, TEXTILES & HANDICRAFTS**

\*\*\*

**RESOLUTION**

No. II.TEX-136/2021/ 8248 /HT&H, Bhubaneswar, dated the 28/12/2021

**SUBJECT: - Guidelines for implementation of "MUKHYAMANTRI BAYAN JYOTI YOJANA" for weaver household/ families of the State.**

**1. INTRODUCTION:**

- 1.1 Handloom Industry is a prominent cottage industry in the state of Odisha. It provides employment opportunities to a large number of weavers and ancillary workers with the total number being only next to agriculture. As per Handloom Census-2017 conducted by Government of India and its periodic revision by the Handlooms, Textiles and Handicrafts department of Govt. of Odisha, as on 1.4.2021 there are 66,141 weavers' House Hold having 1,24,084 weavers and allied workers engaged in this profession.
- 1.2 Weaving being a cottage industry, the production process is carried out by the collective efforts of multiple members of the family. The weavers work in their cottages till late evening hours to produce fabrics of intricate designs, woven on fine yarn in different shades. To minimize physical strain on eye and to enable the weaver to weave for a longer duration, a properly illuminated place is essential. In the past, solar lanterns were provided with financial assistance from the Government. However, lanterns are able to solve the problem in a limited manner and are more suited for illumination on a small scale rather than to allow for professional activity. In addition, Odisha has a hot climate where temperatures in the western part of the state cross 40 degrees Celsius on a regular basis. In the coastal areas, there is high humidity. As a result, a fan is also needed by the weaver to allow him to work continuously for a longer period on the loom. During failure of power supply and low voltage in rural areas the weaver has no way for continuing his work in darkness. In order to facilitate the weaver to work in a more comfortable and healthy environment and for longer hours it is felt necessary to provide at least a better illuminated place and a fan.

1.3 It is therefore proposed to supply to every weaver household and family:

- a) An inverter of 650VA along with battery of 100 AH providing 15hrs back up. Output giving 230 or 240v, Pure Sine wave, rating 650VA, 50HZ. Battery -12V, 100AH lead acid as per IS 13314 i.e. solid state inverter run from storage batteries.
- b) One energy efficient LED tube light of **20 watt** (to be fitted on the loom/ work shed/preparatory work places for bobbin winding, tie-dye making etc).
- c) Another energy efficient LED tube light of **20 watt** in the shed.
- d) One energy efficient ceiling fan of **35 watt BLDC (Brushless DC)**.

1.4 This will enable the weaver to devote more time for the weaving activities in an effective manner which will augment his income.

1.5 The inverter with batteries is to be used in well-ventilated area with adequate free air circulation near the window of the shed. The suppliers are to ensure such type of installation.

1.6 As better technology becomes available Government may revise the technical specification in Para 1.3.

## **2. NAME OF THE SCHEME:**

The Scheme will be implemented as a new Scheme named "Mukhyamantri Bayan Jyoti Yojana" (MBJY) under Chief Minister's Special Package for Handloom weavers.

## **3. OBJECTIVE:**

3.1 To provide required illumination for weaving on loom/for illumination of the preparatory work places for bobbin winding, tie-dye making etc, the shed and one fan for smooth working.

3.2 To facilitate carrying his weaving activity during late evening hour/failure of electricity/low voltage.

3.3 Improve the health of the weaver by reducing physical strain on eye and also fatigue.

3.4 Allow the weaver to work for more time for higher production resulting in better earning.

## **4. TARGET:**

All eligible Weaver Households/families.

## **5. FUNDING PATTERN:**

5.1 The unit will cost around **Rs 17,500/-** only.

5.2 This unit cost may change periodically and is subject to review by Government.

5.3 100% of the cost of the unit will be borne by the State Government.

## **6. ELIGIBILITY CRITERIA:**

6.1 Eligibility criteria for coverage under the scheme are as follows:

- i. He/She must be a bonafide weaver / full time ancillary worker.
- ii. He/She is a permanent resident/ domicile of Odisha.
- iii. The family income from all sources does not exceed **Rs.3, 00,000/-** per annum.
- iv. At least 50% income of the family should be from weaving activities.
- v. He/She must not have availed such type of benefits earlier from the State Government / Central Government / any Government Agency.
- vi. He or she should purchase the lighting unit from a GST registered dealer with valid GSTIN.
- vii. Where more than one member of a family is found eligible, only one of them will be entitled for benefit under this scheme.

6.2 Each eligible household/family of the State engaged in weaving and its allied activities comes under the purview of the scheme. Preference would be given to weavers identified under 4th Census of Handloom Weavers conducted by the Govt. of India as well as to weavers identified by the State Government. However, in exceptional circumstances, weavers who are neither covered under 4th Handloom Census of Govt. Of India nor identified by the State Govt. may also be considered if they are either member of the PWCS or recommended by the concerned zonal officers (Textiles) that they are in weaving profession.

6.3 As functioning of inverter requires electricity, it may be ensured that the beneficiary household must have consumer number from respective electricity distributing agency engaged by Government and have paid electricity charges for last one year.

6.4 Eventually, all eligible weavers / ancillary workers of the State will be covered under this scheme. However, they will be covered in a phased manner taking in to account the annual target and for the purpose, the eligible beneficiaries will be prioritized in the following manner;

- i. Divorcees, Destitute, Widow Women
- ii. Physically Handicapped (more than 50% inability)
- iii. Scheduled Tribe
- iv. Scheduled Caste
- v. All eligible weavers household/ ancillary workers household above the age of 40.
- vi. Others.

6.5 In case of non-availability of beneficiaries under any category the beneficiaries under subsequent category as per order of priority will be considered to fill up the target for the year.

6.6 The applicant weaver can see the status of his application on the website of Directorate in online mode as well as on the notice board of the Zonal Office.

## **7. METHOD OF APPLICATION FOR SELECTION:**

7.1 Application in the prescribed format shall be collected from the eligible weaver-household (Head of the Family) in online mode through the website of the Directorate. In case of non availability of online facilities in the remote areas, the concerned Zonal Officers will collect the applications from the beneficiaries and upload the same in the Online Portal of the Directorate.

7.2 List of documents to be submitted along with application form.

- a) Copy of recent passport size color photograph.
- b) Self attested copy of the Weavers Identity Card or certificate that he is a bonafide weaver or ancillary worker.
- c) Self attested copy of AADHAR card.
- d) Self attested Xerox copy of the 1st page of the individual Savings Bank Pass Book showing photograph, full name, name of father/spouse, address, bank, branch, account number, IFSC and MICR code details into which the assistance will be deposited. Account must be in the name of the applicant as submitted in the application form. Account must be opened in a Bank with core banking facility to enable digital transfer of assistance.
- e) Certificate regarding total annual family income from the concerned Tahasildar.
- f) An affidavit that he/she is not in receipt of similar assistance from either State or Central Government.
- g) An undertaking to the effect that the beneficiary will not sell off the lighting unit within three years from the date of purchase.

7.3 In case of violation of any of the conditions stated in para-6 by the beneficiary or submission of false information, the beneficiary will be debarred to avail the benefits of the Government schemes including marketing through apex organizations.

## **8. VERIFICATION OF APPLICATION:**

- 8.1 The application so received shall then be jointly enquired into by at least two officials from the cadre of Sub-Assistant Registrar of Co-operative Society/Weaving Supervisor/Inspector of Textiles/Technical Assistant. The concerned Zonal Officer shall hand over the Applications received within 15 days from its receipt to the above team for verification.
- 8.2 On receipt of the application from the Zonal Officer, the above team will enquire into the eligibility of the application, thoroughly scrutinize the documents enclosed, conduct physical verification and record their findings on the body of the application in appropriate column and submit the same to the concerned Zonal Officer within a period of 30 days.
- 8.3 In order to avoid duplication of the benefit under the scheme the Concerned ADT/DDT shall verify whether the applicant is a beneficiary of any similar scheme under Government of India/ State Government.
- 8.4 After detailed scrutiny of the verification report submitted by the verifying officials, Zonal Textiles Officers shall prepare the final list of the eligible beneficiaries on the basis of the findings of each stage of verification; and place before the District Level Monitoring Committee for approval.
- 8.5 The final list approved by the DLMC will be submitted to Directorate of Textiles for sanction of funds. After sanction, the status of beneficiary will be uploaded in the website and notice board of Zonal Office for information of all.

## **9. DISTRICT LEVEL MONITORING COMMITTEE FOR FINALIZING THE BENEFICIARY LIST WILL BE CONSTITUTED WITH THE FOLLOWING AS MEMBERS:**

- a) Collector /Any other officer authorized by Collector: - Chairman.
- b) Concerned Divisional Textile Officer: - Member
- c) 02 representatives of eminent PWCS of the districts: - Member
- d) Concerned Zonal Textiles officer: - Members Convener

- 9.1 In addition to the final beneficiary list, 5% additional beneficiaries may be kept in the waiting list to avoid further selection in case of drop out due to unforeseen reasons.

## **10. MODE OF IMPLEMENTATION:**

- a) Directorate of Textiles shall be the Nodal Agency.
- b) Zonal Offices under the Directorate shall be Implementing Agencies for the areas coming under their administrative jurisdiction.

## **11. DISBURSEMENT:**

- 11.1 Zone wise action plan for disbursement of assistance shall be formulated by the Directorate on the basis of DLMC report received from Zonal Textile officers for submission to Government.
- 11.2 Directorate of Textiles shall submit the proposal to the Department for approval of action plan as well as sanction and release of funds.
- 11.3 After sanction is accorded, the funds will be transferred directly by the Zonal Officers to the bank account of the beneficiaries through DBT Mode within 15 days of receipt of funds.
- 11.4 The list of beneficiaries shall be displayed on Department/ Directorate website and in the Office of the Zonal Officer for information of general public.
- 11.5 100% physical verification shall be done by the concerned DDT/ADT to verify the genuineness of the installation of the unit by the beneficiary and submission of a report to Directorate for record.
- 11.6 Periodic inspection will be conducted to check that the beneficiary has not sold off the unit provided to him or violated other conditions as given in this scheme.

## **12. SOURCE OF FUNDING AND RELEASE OF FUND:**

Funds required for implementation of the scheme shall be met from the State Plan out of the budget provision made under the Scheme "Mukhyamantri Bayan Jyoti Yojana".

## **13. FINANCIAL IMPLICATION:**

13.1 There are 65391 weaver families in the state and all the eligible families are to be covered under the scheme which has been tentatively estimated at 45000.

- |  |       |                     |
|--|-------|---------------------|
| a) One Inverter 650 VA                                   | -     | Rs. 3500/-          |
| b) One Battery 12V, 100AH Lead Acid                      | -     | Rs. 10000 /-        |
| c) One energy efficient Ceiling Fan 35 watt (BLDC type)- |       | Rs. 3000/-          |
| d) Two energy efficient 20 watt led tube lights-         | 700 @ | Rs. 350/- per piece |
| e) Wiring and other unforeseen expenses                  | -     | Rs. 300/-           |

**Total: = Rs. 17500 /-**

13.2 This is a tentative estimate which may vary during the time of implementation.

13.3 However total unit cost will be limited to Rs. 17500 /- unless it is reviewed and changed by Government. Additional cost if any due to price escalation

will be borne by the concerned beneficiary.

**13.4 Total fund requirement for estimated 45,000 households for 5 years@Rs.17,500/-**

Rs. 17,500/- X 45,000	= Rs.78.750 Crore
<u>Add 2% contingency charge</u>	<u>= Rs. 1.575Crore</u>
<b>Total</b>	<b>= Rs.80.325 Crore</b>

The year wise breakup of the total 45,000 nos. of beneficiaries to be covered is at **Annexure-I**.

**14. OUTCOME:**

The weavers work in their cottages till late evening hour to produce fabrics of intricate designs woven on fine yarn with various shades. To minimize physical strain on eye and enable the weaver to weave for longer duration, a properly illuminated place is essential. Further, during rainy season there is constant load shedding of power due to wind and rain phenomenon due to which the weavers are unable to work in the dark. Further, when they work in the open verandah or courtyard outside the work-shed where there is light, there is a high probability for loss of fabrics/yarns on contact with moisture. So, installation of this unit will provide a more conducive environment for working and allow a weaver to work for more time. Normally a weaver without support of lighting facility is able to work for 8 hours a day but after installation of inverter lighting and fan facility in the work-shed it is estimated that he along with his family members will be able to work for 10 to 15 hours per day there by increasing the productivity and wage earning of the household. It will also provide him flexibility of working hours as he can work in the late hours of the day also.

**15. MONITORING:**

15.1 Implementation of the Scheme will be monitored by the zonal office and supervised by the Divisional office and the Directorate. Progress will be reviewed from time to time at the Department level.

15.2 Necessary funds for the same would be provided from the Contingency head.

**16. EVALUATION:**

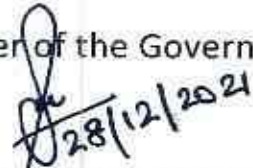

Third party evaluation will be conducted by engaging a suitable agency to study the impact of the scheme on increasing the productivity, production and increase in income of the target group. The required fund for this activity will be

borne out of contingency component of the scheme "Mukhyamantri Bayan Jyoti Yojana" and in case that is insufficient, from the budget under State Plan for other activities. The engagement of the independent agency shall be as per norms and guidelines of the Finance Department.

---

**Order-** It is ordered that this resolution be published in an extraordinary issue of the Odisha Gazette of the Government of Odisha for the general information and copy be communicated to all Departments of Government/all Heads of Departments and other concerned.

By Order of the Governor

A handwritten signature in black ink, followed by the date "28/12/2021" written in a similar style.

Commissioner-cum-Secretary to Government

Memo No. 8249 /HT&H, Bhubaneswar dated the 28/12/2021

Copy along with soft copy forwarded to the Director, Printing, Stationery & Publication, Odisha, Cuttack for publication of the Resolution in the next issue of the Odisha Gazette with a request to supply 50 copies of the Gazette to this Department.

  
Additional Secretary to Government
