The Hon'ble CM, as Finance Minister of Haryana, in his Budget Speech, 2023-24, made the following announcement No. 89:- "Drawing inspiration from the vision of the Hon'ble Prime Minister, the Government is working towards ensuring that every family has a shelter. Riding on the benefits offered by the Prime Minister Awas Yojana (PMAY), the Government has prepared a policy for providing affordable housing to needy families having annual family income up to ₹1.80 lakh as per PPP data.
